

MODUS

The unique 'Flying Buffet' system by CMK Design

MODUS OPERANDI – METHOD OF OPERATION

Combining practicality with high visual impact, Modus revolutionises the workflow in foodservice through its creativity in design and concept. Achieving the design innovation and expertise synonymous with Dudson products, a collection of Finest Vitrified Hotelware pieces have been intelligently created to fit two sizes of high-pressure laminate (HPL) tray for the ultimate visual presentation.

All weights are approximate.
